The meeting was called to order at 1830.

N5RN gave the Treasurer's report. KG5SRO, KD5JVU, and N5VGJ paid dues, a crucial aspect of our financial transparency. They have dutifully paid their dues, contributing to our collective success.

The status of the 147.195 repeater was a topic of lively discussion. The question of returning it to the repeater pool or extending its use remained open. While no decision was reached, the conversation will continue, and we will keep you updated on its status.

There being no further business to discuss, the meeting was adjourned at 1850.

Respectfully submitted by N5RN.
